STATE OF INDIANA )

 COUNTY OF DEKALB )

IN THE DEKALB CIRCUIT COURT  
 CAUSE NO. 349

**FILED**  
 AUG 4 1986

IN THE MATTER OF THE )  
 TRUSTEESHIP UNDER THE WILLS )  
 OF WILLIAM RICHARD FOUNTAIN )  
 and SARA ANN FOUNTAIN )

TRUSTEE'S AMENDED AND )  
 SUPPLEMENTAL PETITION TO )  
 DETERMINE TRUST BENEFICIARIES )  
 AND DISTRIBUTE TRUST ESTATE )

Comes now John C. Thrapp, as Trustee, and respectfully files amended and supplemental petition herein. The undersigned declaring and alleging that:

1. Based upon information received subsequent to the hearing had in this Court on the 31st day of March, 1986, your Trustee has ascertained and been informed of additional beneficiaries and has found it necessary to allocate shares to such beneficiaries and reallocate others. Attached hereto is a determination of such beneficiaries and share entitlements apportionable thereto, such attachment being marked Exhibit A and by this reference fully incorporated herein.

2. Alterations in share entitlements as detailed in the Revised Exhibit A hereto attached have been made for the following reasons and are as follows:

a. In the original petition Sherman Crawford (page 3 of Schedule A of Family History of John Truelove) was shown to have left no children surviving him where in fact two (2) children still in being survived him, namely; Helen Crawford Surface and Beverly Keeler. They are each entitled to a 1/96th share. Further, Hugh Lisle having died July 21, 1986, leaving no descendants, Amber Lisle Fisher and Clair Lisle are now each entitled to a 1/96th share.

b. The share originally apportioned to Roger A. Hess (page 5 of attached Schedule A) should be paid per stirpes to his descendants, the said Roger A. Hess having died subsequent to the entitlement hearing. Trustee is presently endeavoring to determine the identity of such descendants. If there are no descendants, said share

should be paid to his siblings share and share alike:

Richard Hess and Mary J. Hess Atkins.

c. In determining descendants of Henry Truelove, your Trustee has determined that Peter C. Dickey and Sadie Ann Dickey Lee Masters, children of Ann (Tracy Ann) Truelove Dickey, died leaving no children surviving them. The shares apportionable to the descendants of the said Ann Truelove Dickey have been reallocated. Descendants of Clark A. Dickey remain to be determined, such entitlement to be retained by your Trustee pending receipt of additional data.

d. Your Trustee has determined that the share apportionable to the descendants of Grace B. Barnes should be apportioned to her two (2) living children Evelyn Barnes Bair and Leona Barnes Pennell and that the share apportionable to the descendants of Gertrude Barber Shanholtz should be paid in equal shares to her three (3) children all living, namely, Thurmon Junior Shanholtz, Richard Lee Shanholtz and June Marie Shanholtz Garrett. (Page 6 Schedule A).

e. Yet to be determined are the descendants of Sara Margaret Truelove Cross. Trustee proposes to retain entitlement of such beneficiaries pending such determination.

f. Your Trustee has determined that Richard Blotkamp (Page 3 of Schedule A of Family History of Henry Truelove herein) had three (3) children rather than two (2) as originally thought. Therefore, Dennis Blotkamp is entitled to a share, the shares of James Blotkamp, Shane Blotkamp and Scott Blotkamp being accordingly revised.

3. Those persons whose interests and entitlements are effected by your Trustees subsequent determinations with current addresses noted are as detailed at Exhibit B, hereto attached.

Your Trustee prays that another hearing in this matter be scheduled so that notice to those persons affected by his

subsequent determination can be given; that he be authorized to effect distribution to those not so affected, and for other appropriate relief in the premises.

Respectfully submitted,

  
John C. Thrapp, Trustee
